# Welcome to the Wonderful World of Accreditation!

- Learning another language
- Technical (compliance) and art (best-practices) to designing a social work education program
  - **Accreditation** supports with: standards, interpretations, policies, and procedures
  - **Education association** supports with: idea-sharing, crowd-sourcing, examples, samples, and models
- Unity in the common language of national standards
- Resources and services to help translate standards in your unique context

# Purpose of Accreditation

Accreditation is a system of peer-review for recognizing educational institutions and professional programs affiliated with those institutions as having a level of *performance*, *integrity*, and *quality* that entitles them to the *confidence* of the educational community and the public they serve.

The purposes of accreditation are:

- **quality assurance**
- **academic improvement**
- **professional preparation**
- **public accountability**

# Intentional & Meaningful Engagement in Accreditation

- Elective and self-driven
- Helpful rather than a hurdle
- Approach with curiosity & strategic thinking
- *Make the process work for you!*

# CSWE Board of Accreditation (BOA)

- Recognized by the Council on Higher Education Accreditation (CHEA) to accredit baccalaureate and master's degree programs in the United States.
  - *International Social Work Degree Recognition and Evaluation Service*
  - *Memorandum of understanding with Canadian social work accreditor*
- BOA members:
  - Fellow social work educators, practitioners, and public member(s)
  - Volunteers with a background in social work education
  - Active CSWE membership
  - At least 2-years site visitor experience

# Peer-Review Process

- Accreditation is a peer-review
- BOA is the sole and final arbiter of compliance
  - *CSWE staff cannot determine compliance*

# Services with Social Work Values

*Myth:* Asking an accrediting organization for help alerts it that the program should be placed on unofficial watch for future scrutiny.

- **Accrediting organizations welcome questions from programs!**
- Supportive accountability model
- Consultations provided by CSWE accreditation staff are **confidential** (policy 1.4, [Accreditation Policy Handbook](#))

# Accreditation as a Process

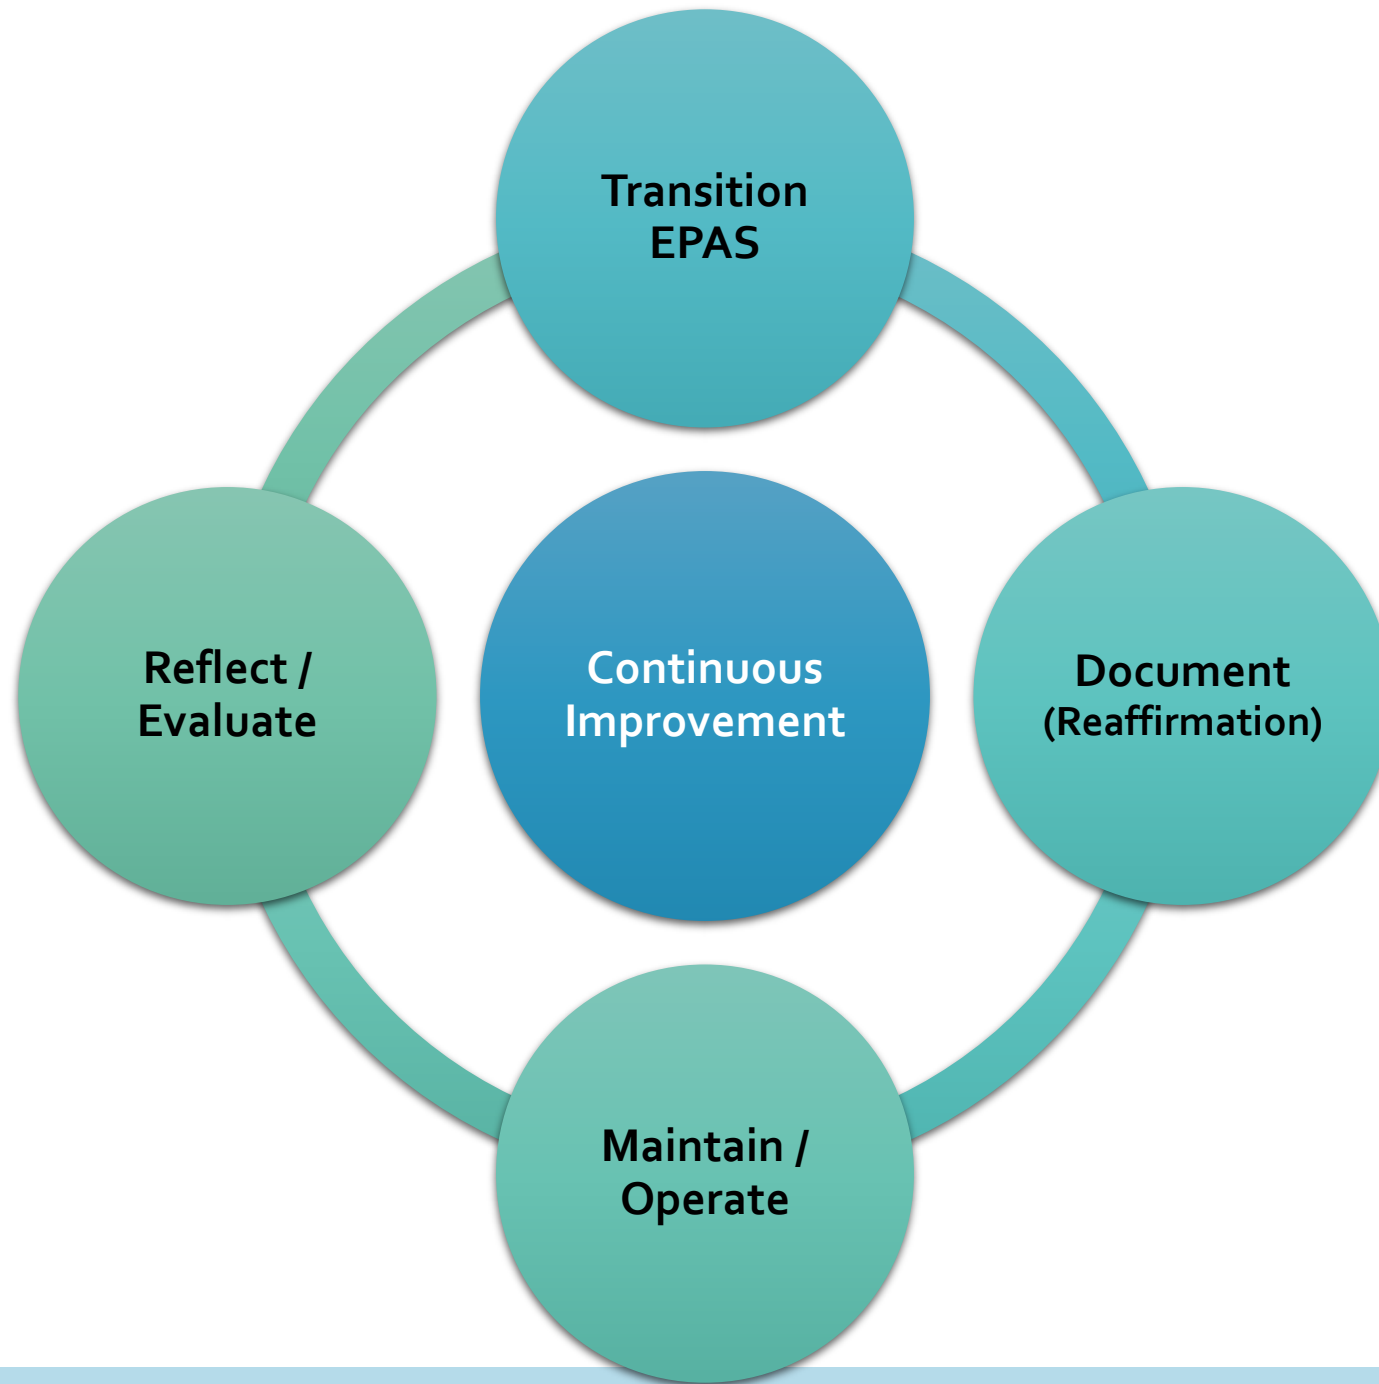

The process expands beyond quality control. Accreditation is a *developmental, strategic, and renewal or changemaking* process by which program stakeholders craft educational experiences to prepare *competent social work practitioners*. While accreditation is reviewed at **periodic intervals**, programs are expected to **maintain ongoing compliance**.

Accreditation can be an impetus for:

- Data-informed decision-making
- Innovation
- Quality improvement

**Accreditation is not a one-time event.**

# Accreditation as a Team Effort

- Encourage all administrators, full-time and part-time faculty, staff, students, field instructors, board members and other relevant program stakeholders to understand and actively participate in the accreditation process.
- Continuous accreditation efforts, including periodic reaffirmation reviews, are owned by and affect the entire program.
- Team-based approaches are highly recommended.
- Match team members by strengths and/or expertise.
- Optional Tool: [Team Approach Grid](#)

# Common Accreditation Processes

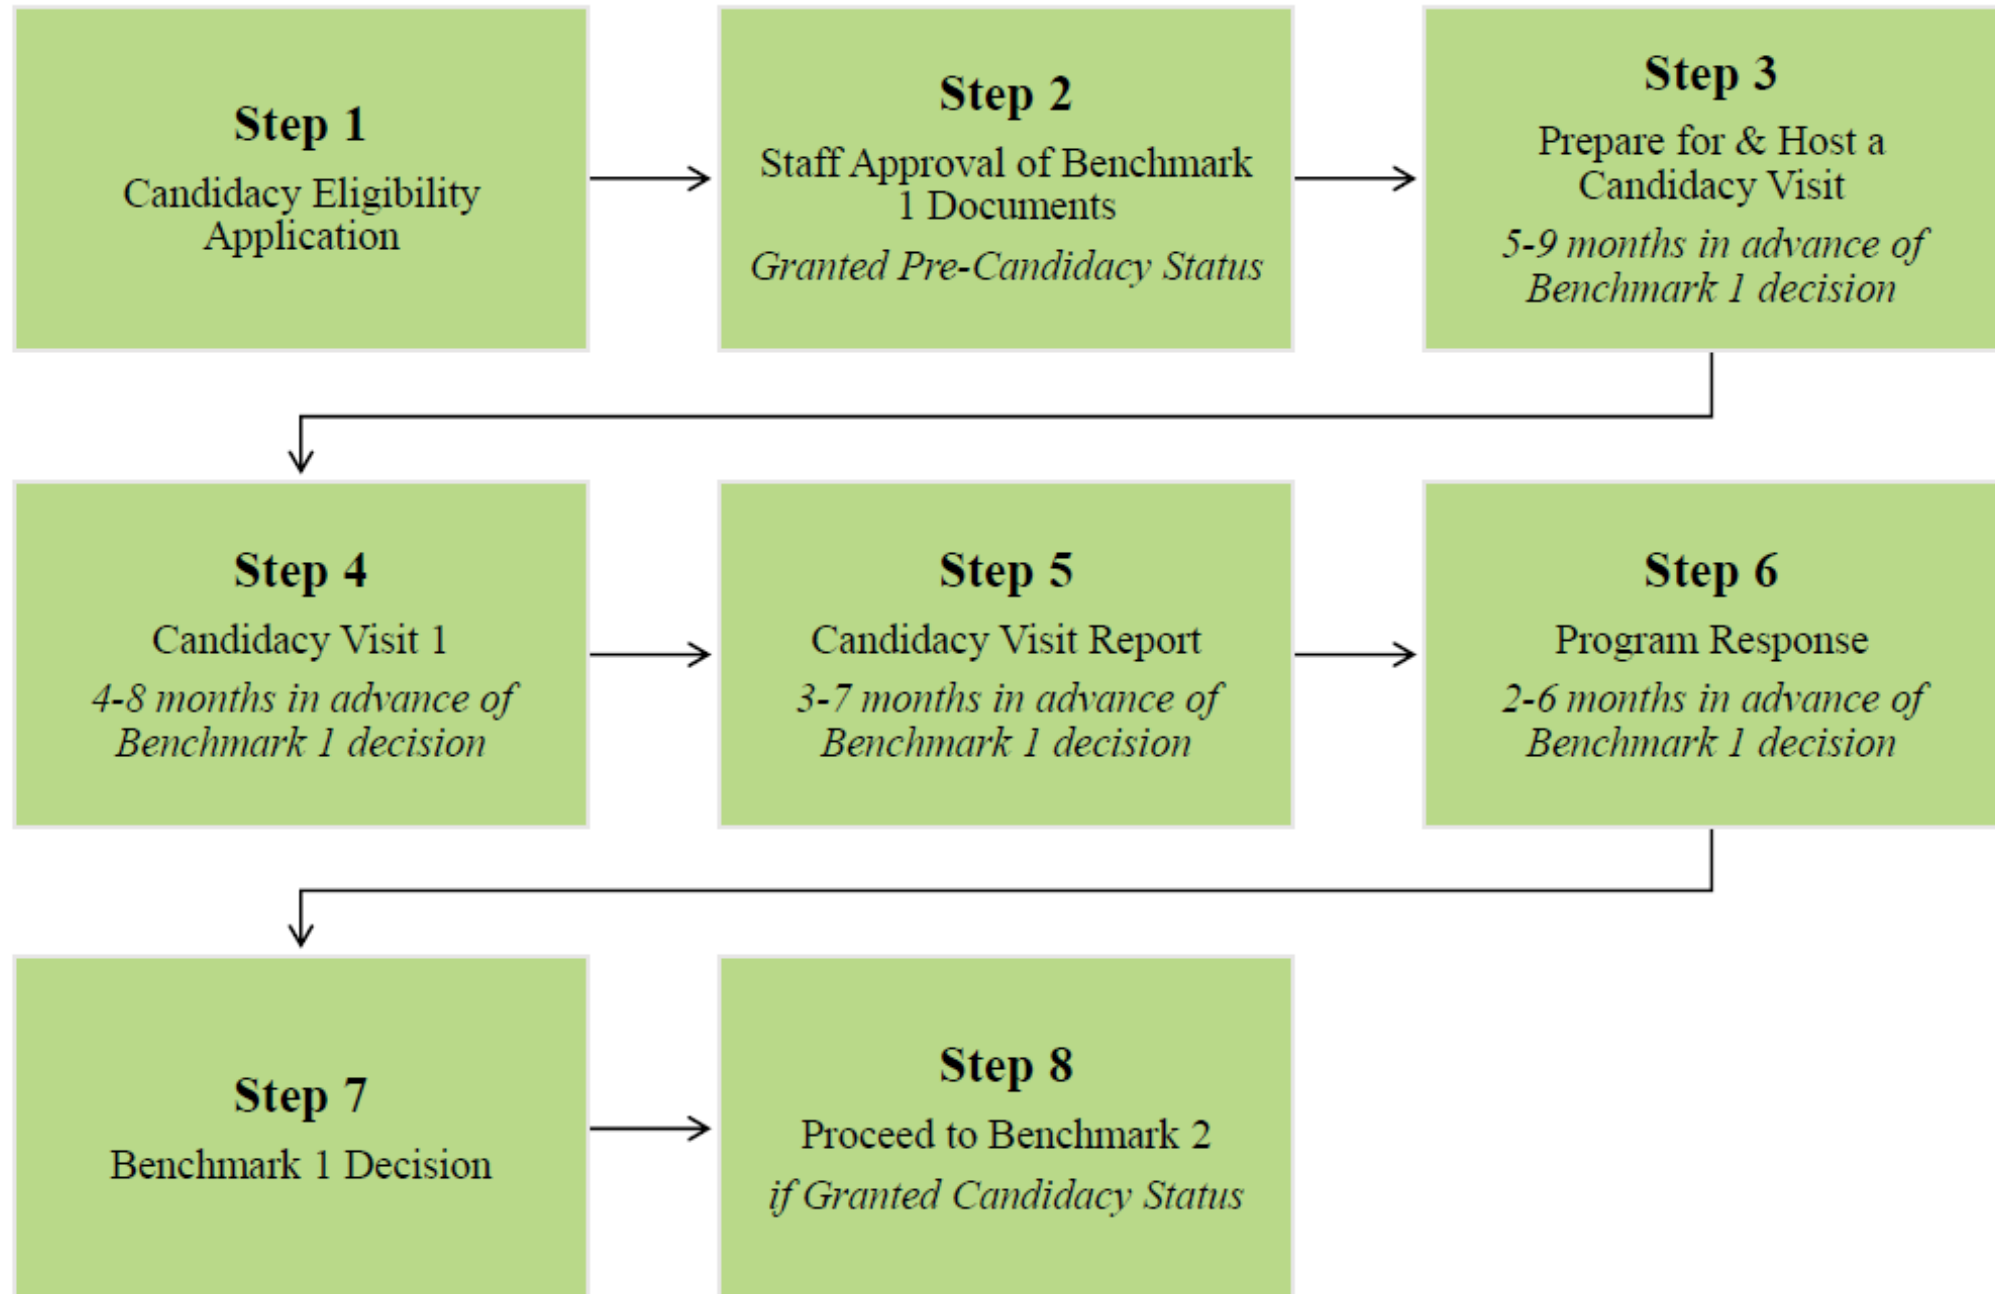

- Reaffirmation | 8-year cycles
- Candidacy | 3-year benchmarking
- Program Changes
  - Policy 4.9, Accreditation Policy Handbook
  - Notification of changes that may impact compliance with the EPAS
  - Database / directory listing updates
  - Substantive Change Proposals
- Annual collection of website hyperlinks to assessment reports
  - Competency-based student learning outcomes / data posted on programs' website
  - Collected within 2-years at all times

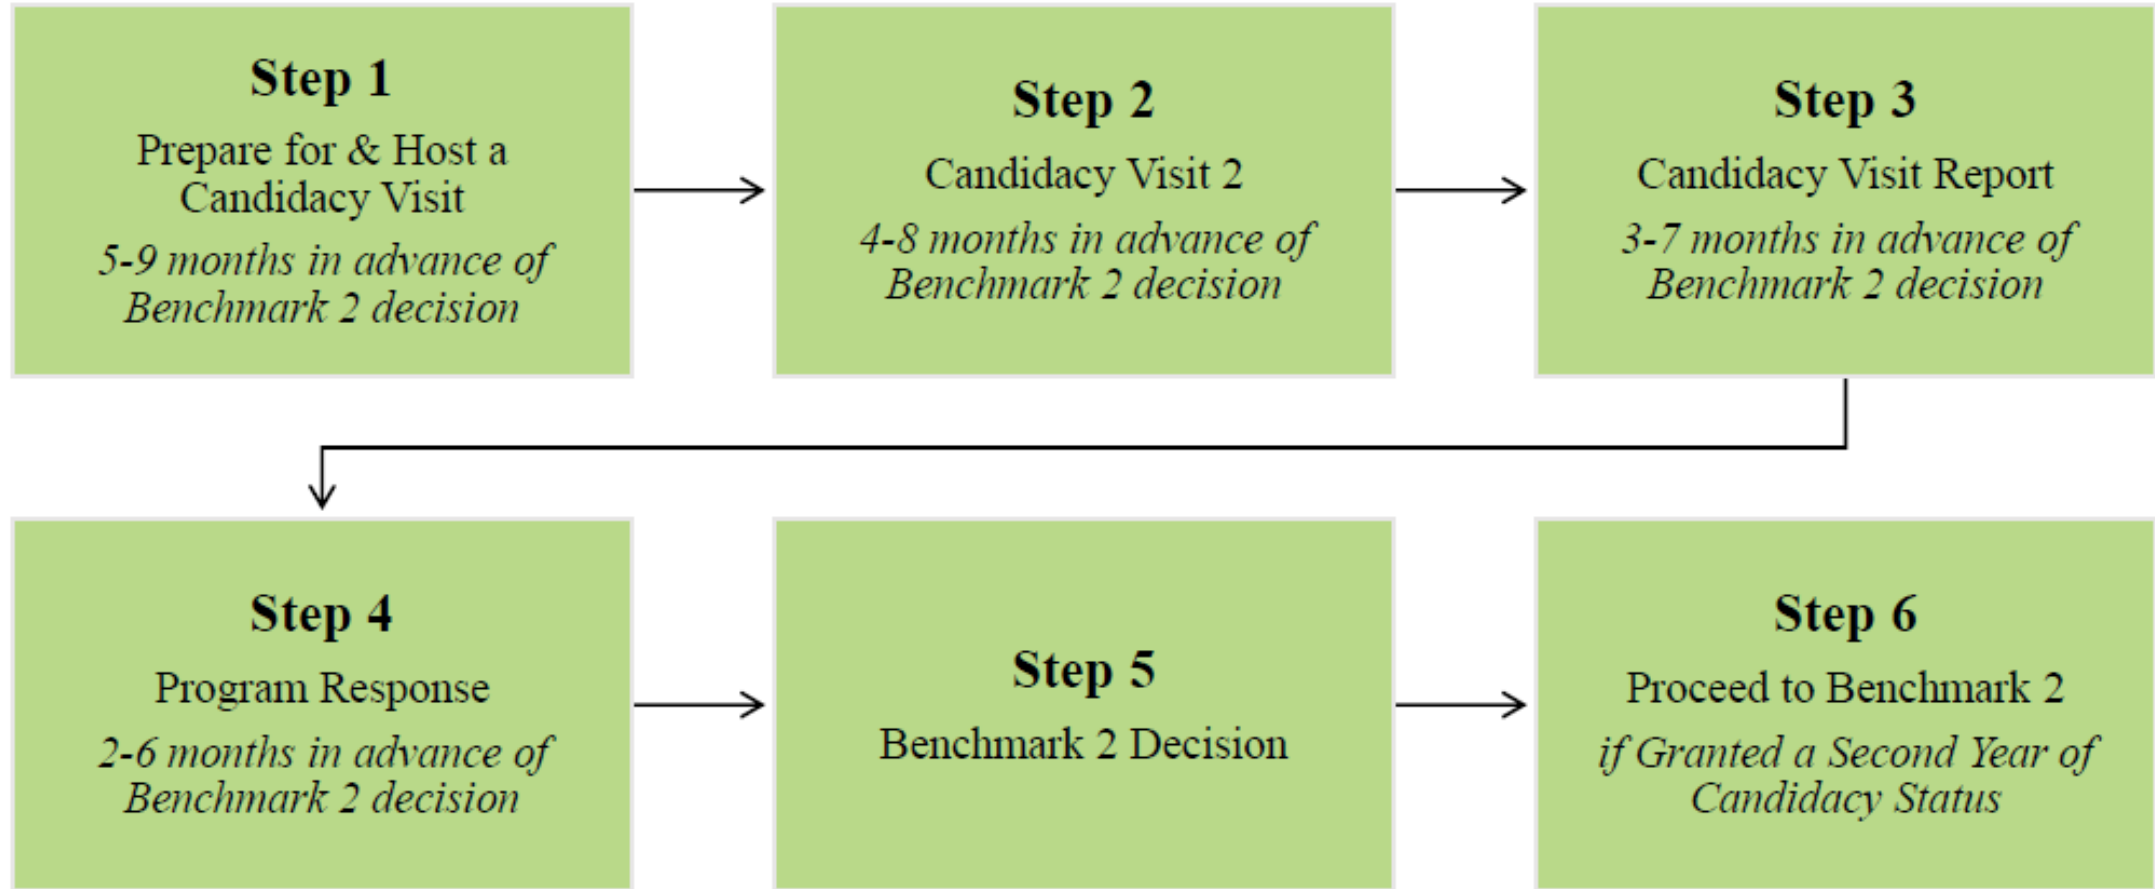

## Reaffirmation Process Overview

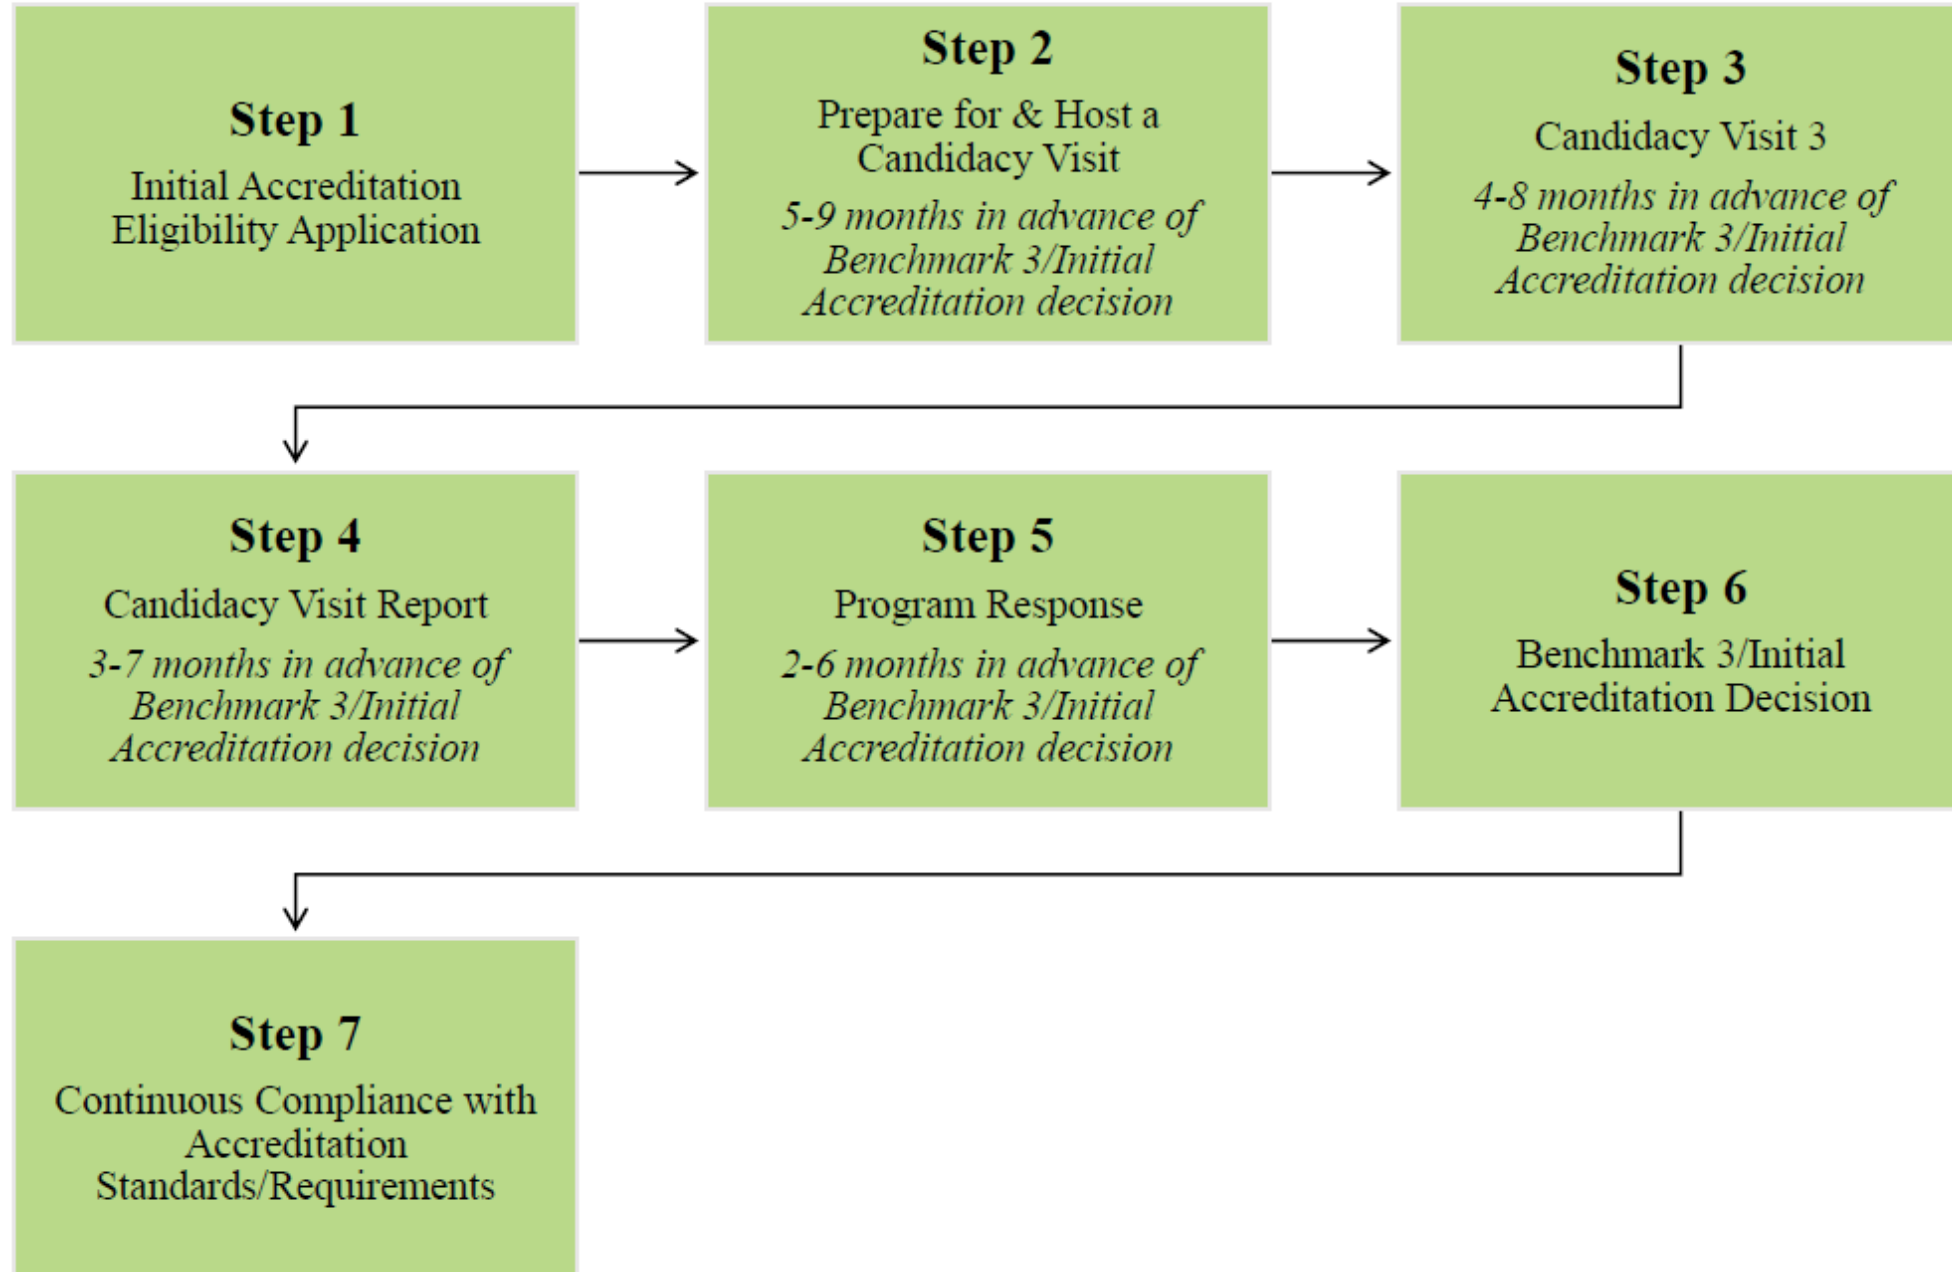

## Candidacy | Benchmark 1 - Process Overview

## Candidacy | Benchmark 2 - Process Overview

## Candidacy | Benchmark 3/Initial Accreditation - Process Overview

# Decision Types

- Familiarize yourself with the possible [decision types](#)
- View the [frequency each decision type is issued](#)
- Set reasonable expectations as the vast majority of reviews include requests for clarification
- *Rare, yet important:* Revise & resubmit requests (policy 4.7, [Accreditation Policy Handbook](#))
  - Usage of outdated forms, templates, or accreditation materials
  - Formatting and submission errors
  - Failure to address all accreditation standards or requirements
  - Failure to address all program options

# Guidance for Successful Accreditation Reviews

Learn and understand the EPAS and factual interpretations

Apply accreditation knowledge to renew program operations or retool, update, or change as needed

Evaluate the program's alignment with the EPAS via writing the self-study or benchmark document

Set realistic expectations by understanding potential BOA decision types and be open to BOA's clarifying questions

Continuously utilize accreditation resources and services to bridge gaps in knowledge deepen comprehension of the EPAS and accreditation processes

# Accreditation Documents

**COLLABORATE**

# Reaffirmation Self-study & Candidacy Benchmarks

- Program's documentation / evidence of compliance after self-evaluative processes
- Tell your program's story
- Technical evaluative report
  - Documenting compliance with the accreditation standards
- Use templates
- Use Interpretation Guide as a checklist

# Additional Types of Documents

- ***Candidacy / Site Visit Report*** – Findings from discussion / dialogue about program's plan for compliance. Visitors do not determine compliance. They collect clarifying information, verify facts, and summarize objective findings.
- ***Program Response*** – Program's documentation / evidence of compliance following a visit. Program has final word / opportunity to demonstrate compliance to the commission.
- ***Reports*** – Program's documentation / evidence of compliance typically following the BOA's decision. These include progress reports and restoration reports.
- ***Substantive Change Proposals*** – Program's plan for compliance when proposing a significant change to the program such as a new location-based or online program option.

# CSWE-BOA Approach to Accreditation Reviews

- Based on integrity and trust
  - Not investigative or “gotcha!” approach
  - Shared goal in quality education & commitment to the profession
- Self-evaluation (i.e., self-study)
  - Document compliance
  - **Continuous improvement:**
    - Reflective to identify strengths and areas for growth
    - Data-informed decision-making
- Multi-phased to provide due process
- Accountability via minimum compliance with the EPAS

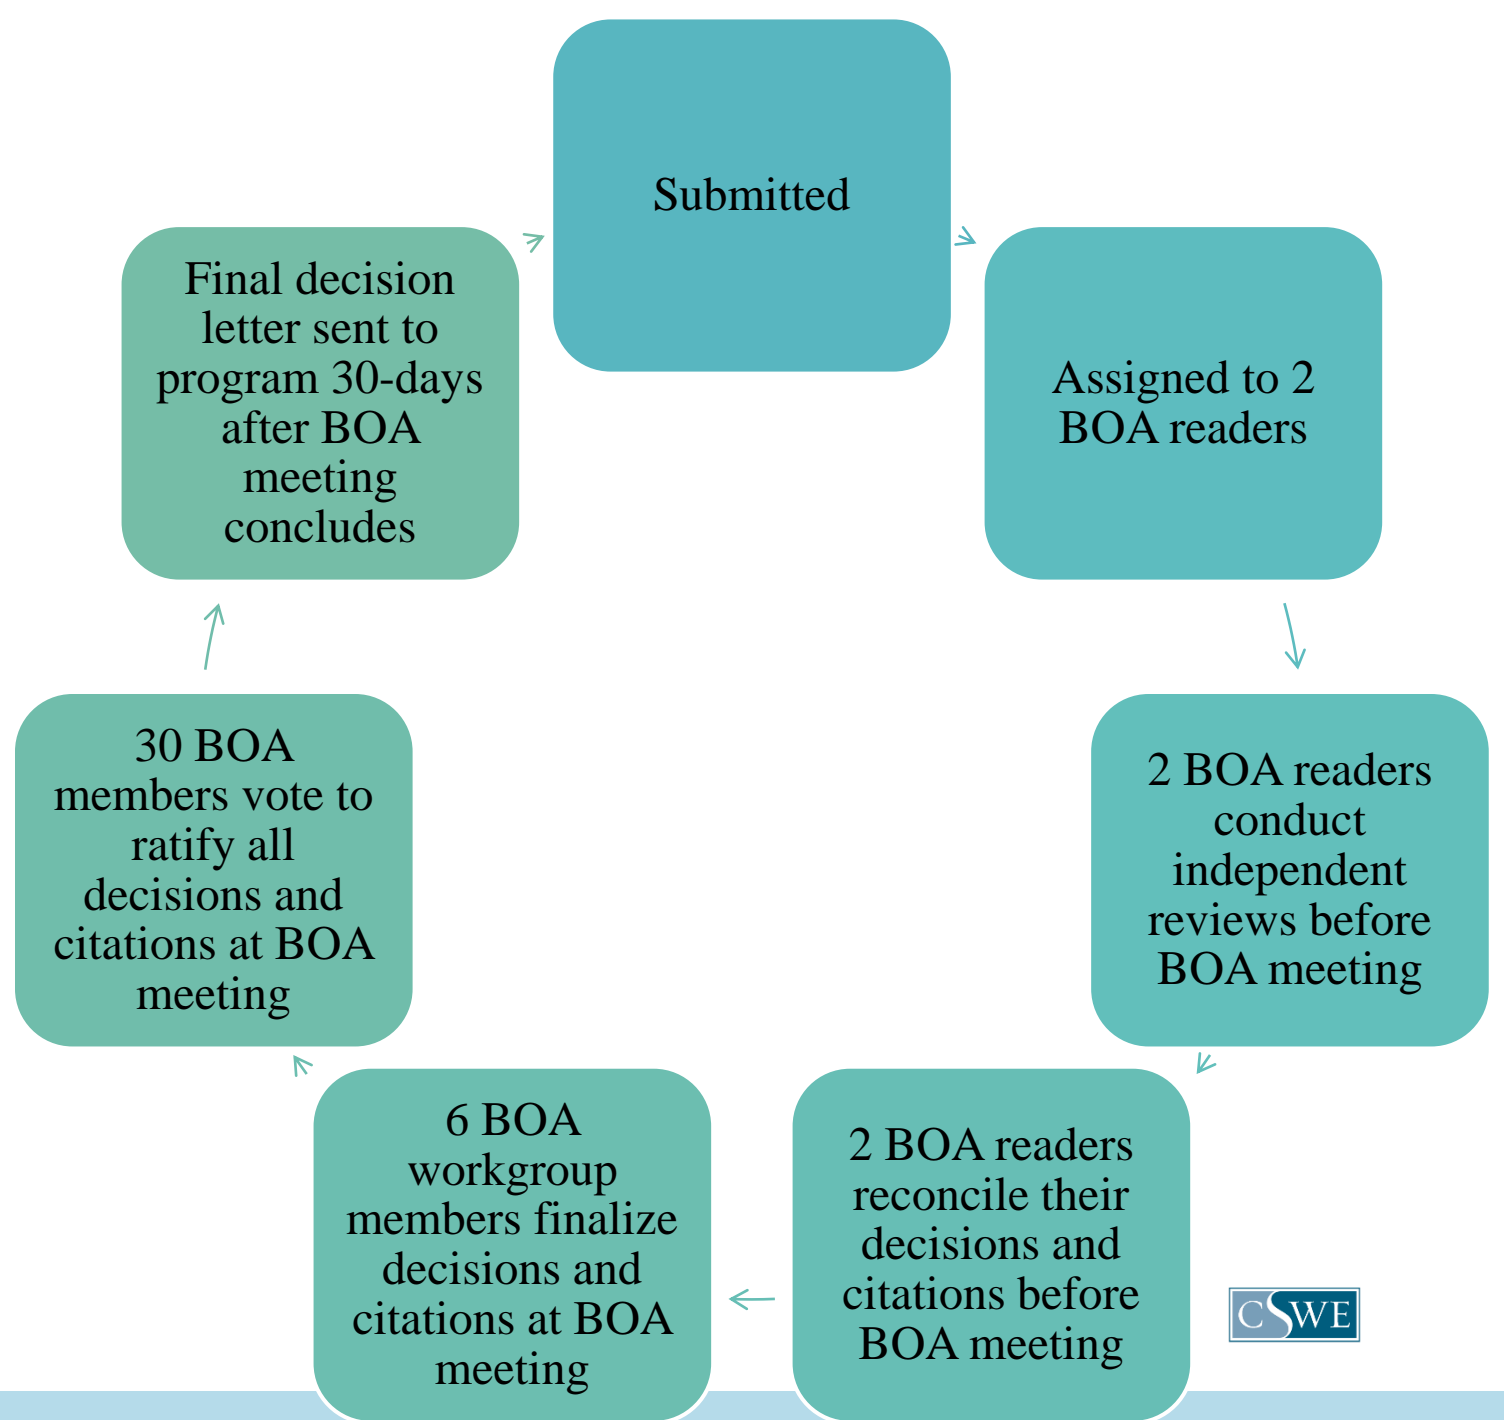

# Minimum Compliance

- Quality threshold
- Lens through which BOA conducts reviews
- Programs to set goals for minimum compliance
- Welcome to go above and beyond or incorporate best-practices *as long as* the program is meeting the standard
- Flexibility to craft excellent educational experiences that exceed the EPAS requirements
  - **No two programs are the same!**
- CSWE-BOA sets the floor via the EPAS; programs set the ceiling!

# Life Cycle of an Accreditation Document

**ADVOCATE**

# Writing an Accreditation Document

**COLLABORATE**

# Writing Tips

- Write clearly and concisely
  - BOA cannot assume anything
  - General / vague responses may prompt clarifying questions from BOA
  - Excessive narrative can accidentally bury the required compliance documentation
- Use the language in the standard in your responses
- Employ one final editor to give the document one cohesive voice
- Most common reasons for a citation:
  1. Failing to address the BOA's official interpretation of the standard (vs. the program's assumed interpretation)
  2. Failing to clearly address one or more elements of the standard
  3. Failing to explicitly address each program option in response to each standard

# Organizing Tips

- Create a central file on your institution's shared drive (e.g., OneDrive, SharePoint, Google Drive, etc.)
- Organize documents by year
- Be sure files and documents are searchable (not scanned)
- Leave your legacy/successor well-organized documents
- Program responsible for record-keeping documents; yet accreditation staff can reissue BOA decision letters if lost (policy 4.1, [Accreditation Policy Handbook](#))
- **New!** Accreditation certificates now mailed after reaffirmation is achieved

# Continuous Compliance

**COLLABORATE**

# Celebrate!

- Recognize your worthy work preparing social work practitioners!
- Honor contributors and reward your team for their ability to both map the big picture and document the details 😊

# Maintaining Compliance Between Review Cycles

- 8-year review cycles with no interim reports
  - **Framing:** Asking BOA to issue reasonable assurance to the public and constituents that the program is providing quality social work education for nearly the next decade
- Update assessment of competency-based student learning outcomes minimally every 2-years via required form
  - *Data must be collected within 2-years at all times*
- Programs are not static and continuous quality improvement processes are encouraged, including *creativity, innovation, and pilots*

# Record Audit

- Periodic update to all fields in a program's internal database record and external directory listing
- Used to collect hyperlinks to webpage where required data/outcomes form is posted
- **Important Note:** Annual survey of social work programs is not a function of accreditation and not used to collect compliance information!
- Audit is separate from annual survey

# Additional Accreditation Processes

- Submit substantive change proposals via required template
  - Policy 4.9 in the [Accreditation Policy Handbook](#)
- Self-report issues that may impact compliance with the EPAS
  - Policy 4.9 in the [Accreditation Policy Handbook](#)
- *Optional:* Request a clarification letter or special compliance review if unable to maintain compliance
  - Policy 4.10 in the [Accreditation Policy Handbook](#)
- *Optional:* Request waivers to certain accreditation standards
  - Policy 4.5 in the [Accreditation Policy Handbook](#)

# Primary Contact

- Self-report database/directory listing updates via required form
  - Policy 4.9 in the Accreditation Policy Handbook
- Keep primary contact current to receive:
  - Access to services
  - Communications
  - Newsletters
  - Invoices

# Check-in & Test Your Understanding

- Check with accreditation staff before thinking your program "isn't allowed" to do something.
  - **Very few standards that speak to what a program can't do.**
- Rather, standards primarily ensure that you have a policy, procedures, criteria, process, or mechanism; not what the content is.
- Operations, offerings, polices, procedures and other programmatic elements may be more traditional or innovative.
- Many myths to bust in social work education – *so, be sure to ask!*

The policy explicitly states that the social work program does not grant social work course credit for: 1) life experience, and 2) previous work experience:

- Yes
- No
