

## Directory of Accredited Post-master's Social Work Fellowship Programs

CSWE's Commission on Accreditation (COA) and the Fellowship Review Committee (FRC) are currently piloting the accreditation of post-master's fellowship accreditation programs. As the programs in the pilot complete the accreditation process, and are granted initial accreditation, they are listed on our directory:

<b>Program Name</b>	Walter Reed National Military Medical Center's National Capital Consortium Social Work Fellowship in Child and Family Practice
<b>Website</b>	n/a
<b>Focused Area of Practice</b>	Children, Adolescents and Families
<b>Program Format and Length</b>	Full-Time (24 months)
<b>Location</b>	Walter Reed National Military Medical Center Bethesda, MD 20889
<b>Program Email Address</b>	Christopher.j.guenthner.mil@mail.mil
<b>Program Phone Number</b>	301-295-0576
<b>Program Director</b>	LTC Christopher J. Guenthner, LCSW, BCD
<b>Accreditation Status</b>	Accredited
<b>Initial Accreditation Date</b>	June 2021
<b>Next Accreditation Review</b>	June 2025
<b>Admissions Criteria</b>	Active-Duty Army Social Work Officers in the ranks of Captain through Lieutenant Colonel with current unrestricted independent clinical licensure as a social worker

*Please note: because the accreditation of post-master's social work fellowship programs is currently being piloted, and only a limited number of programs were selected to participate in the pilot, many quality post-master's social work fellowship programs are in existence that have not yet had an opportunity to seek accreditation. The COA, FRC, and CSWE staff are currently evaluating the pilot findings and the capacity to expand the pilot initiative to include additional programs.*

*Please reach out to [fellowship@cswe.org](mailto:fellowship@cswe.org) with post-master's fellowship accreditation questions you may have.*
