### Survey Menu Page Message

The Annual Survey of Social Work Programs collects information about social work programs, students, graduates, and faculty. This information is used by the social work education community in research, program planning, and advocacy work. Your participation is critical in obtaining a complete picture of social work education.

There are three mandatory questions in each program section, each marked with an asterisk \*, which are used for accreditation and membership billing.

Please use this Menu page to navigate between the different sections of the survey for your institution/department. You can return to this page at any time by clicking on the 'Menu' button at the bottom center of the page.

If multiple people from your department are completing the survey, please use the same link for each of them to complete their section(s) of the survey - but ensure that the respondents do not click on the final 'Click here to submit your full survey' button until all of the data entered. **You can also stop and return to the point where you left off at any time by using the original link that you used to access the survey - just make sure to return to the menu before leaving to save your progress.**

If you have any questions while completing the survey, please contact us at [research@cswe.org](mailto:research@cswe.org).

Thank you for your time in collecting this valuable data.

73	<p>What is the formal title of the practice doctorate degree in social work that your program awards?</p> <p>_____</p>
74	<p>CSWE is continuing to attempt to better understand the quickly evolving world of online education and how our members are using online education options within their programs. The following questions are taking a deeper dive into online education than last year’s survey.</p> <p><b>Due to the COVID-19 pandemic, many traditionally in-person programs have shifted to being hybrid or entirely online. For the purposes of this survey, please respond to questions based on <u>normal</u> program offerings (i.e. If your entirely in-person program has <u>temporarily</u> shifted to being entirely online as a result of the pandemic, please mark that your program is ‘entirely in-person’ unless you are specifically asked otherwise). Questions specific to adjustments your program made due to the pandemic are found at the end of this section.</b></p> <p>Which of the following delivery methods are available to students to complete the <b>[Insert Q73 Response]</b> degree program? If your program offers more than one way to complete the <b>[Insert Q73 Response]</b> degree program, please select all of the options that are applicable.</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Entirely In-person (face-to-face classroom instruction – excluding field placements)</li> <li><input type="checkbox"/> Blended <u>courses</u> (at least one course in the program is offered in a ‘blended’ format, defined as “a course that combines online activities with face-to-face instruction”)</li> <li><input type="checkbox"/> Hyflex <u>courses</u> (students are able to self-select if they attend in-person or remotely on a class-by-class basis)</li> <li><input type="checkbox"/> Hybrid <u>program</u> (at least one full class in the program is available online – use of a learning management system (ex. Item #	Question Wording
108	<p>What is the formal title of the research doctorate degree in social work that your program awards?</p> <p>_____</p>
109	<p>CSWE is continuing to attempt to better understand the quickly evolving world of online education and how our members are using online education options within their programs. The following questions are taking a deeper dive into online education than last year’s survey.</p> <p><b>Due to the COVID-19 pandemic, many traditionally in-person programs have shifted to being hybrid or entirely online. For the purposes of this survey, please respond to questions based on <u>normal</u> program offerings (i.e. If your entirely in-person program has <u>temporarily</u> shifted to being entirely online as a result of the pandemic, please mark that your program is ‘entirely in-person’ unless you are specifically asked otherwise). Questions specific to adjustments your program made due to the pandemic are found at the end of this section.</b></p> <p>Which of the following delivery methods are available to students to complete the <b>[Insert Q108 Response]</b> degree program? If your program offers more than one way to complete the <b>[Insert Q108 Response]</b> degree program, please select all of the options that are applicable.</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Entirely In-person (face-to-face classroom instruction – excluding field placements)</li> <li><input type="checkbox"/> Blended <u>courses</u> (at least one course in the program is offered in a ‘blended’ format, defined as “a course that combines online activities with face-to-face instruction”)</li> <li><input type="checkbox"/> Hyflex <u>courses</u> (students are able to self-select if they attend in-person or remotely on a class-by-class basis)</li> <li><input type="checkbox"/> Hybrid <u>program</u> (at least one full class in the program is available online – use of a learning management system (ex.
