### EPAS CANDIDACY PROCESS: 3 YEAR BENCHMARK GRID

**To be used by programs submitting Candidacy Eligibility Applications June 1, 2017 or later.**

The Benchmark Model chart on the following pages illustrates which features of the 2015 Educational Policy and Accreditation Standards (EPAS) the program is working on during each commissioner visit.

The **Approved to Proceed to the next benchmark columns** list which accreditation standards must be approved during each review to proceed to the next benchmark and commissioner visit. The **draft column**, shaded gray, lists which accreditation standards must be addressed in draft form during the commissioner visit. The commission visitor gives the program feedback on how to improve the draft portion, which is reviewed for approval in the next benchmark. Once the CSWE Commission on Accreditation (COA) approves accreditation standards at Benchmark I and Benchmark II, the program will proceed to the next Benchmark. The **compliance column** at Benchmark III indicates that every accreditation standard will be evaluated to determine compliance with the EPAS.

Upon submission of the Benchmark I, the program is expected to submit:

- Volume 1: Compliance standards, followed by draft standards
- Volume 2: Draft Syllabi
- Volume 3: Draft Student Handbook and draft Field Manual

Upon submission of Benchmark II, the program is expected to submit:

- Volume 1: Compliance standards, followed by draft standards
- Volume 2: Syllabi
- Volume 3: Student Handbook and Field Manual

Upon submission of the Benchmark III, the program is expected to submit a full self-study:

- Volume 1: Responses to all EPAS standards
- Volume 2: Syllabi
- Volume 3: Student Handbook, Field Manual
