Instructions Welcome to the **2025-26** CSWE annual survey **Master's in Social Work (MSW) Program Survey** section, which collects data pertaining to **Master's in Social Work** program enrollment, graduation, and program structures. This data is used by the social work education community in research, program planning, and advocacy work. Your participation is critical in obtaining a complete picture of the social work education landscape. While completing this section of the survey, please note the following information: For this survey, data is collected on graduated students from the 2024-25 academic year and enrolled students for the 2025-26 academic year. For enrolled students, you will be asked to provide data based on full-time or part-time enrollment status. Do not enter symbols (such as \$ or %) in survey questions that require numeric responses. Using symbols, words, or spaces in these fields will result in an error message. If you are unable to provide data for a question, please leave it blank. If you have any questions while completing the survey, please contact us email research@cswe.org. Thank you for your time in collecting this valuable data.

For the following section, please provide information about the number of degrees awarded and students who graduated in **2024-25** from your master's program. Count all individuals who earned a master's degree from **July 1, 2024, through June 30, 2025**. The first question is mandatory and is used by CSWE to determine program member dues for the year. Please provide as much of the data as possible. If you are only able to provide the "Total" number, please provide that number. The total numbers reported for the graduate demographic items should match the number of degrees awarded.

mss_total What was the total number of **Master's program degrees** awarded in **2024-25**?

Faculty Survey

Start of Block: Instructions

intro Welcome to the **2025-26 CSWE annual survey Master's in Social Work (MSW) Faculty Survey** section, which collects data pertaining to **Master's in Social Work** program structures and faculty trends. This data is used by the social work education community in research, program planning, and advocacy work. Your participation is critical in obtaining a complete picture of the social work education landscape. While completing this section of the survey, please note the following information: For the purpose of this survey, we define **full-time faculty** as tenure-track, tenured, or non-tenured (e.g. clinical professor, lecturer, instructor, visiting professor) faculty who are employed full-time by your institution. This can include faculty members who are full-time on a contract basis. **If your institution does not offer tenure, there is a separate category titled: "No tenure at institution"** which you may use to document faculty data. We define **part-time** as adjunct/term/contributing faculty/part-time lecturer and anyone else who teaches courses in your program who is not considered a full-time faculty member. Please provide as much data as possible. If you are only able to provide the "Total" number, please provide. **If a full-time faculty member holds more than one assignment, please indicate only their principal assignment.** Principal assignment is defined as faculty with principal assignment (51% or more) of their appointment dedicated solely to the social work program. The remainder of the identified faculty's time may be dedicated to teaching, administration, research, service, or other roles. **Primary administrative position** is defined as assigned time to provide administrative oversight of the program (for the baccalaureate program at minimum 25%, and at the master's level at minimum 50%). Do not enter symbols (such as \$ or %) in survey questions that require numeric responses. Using symbols, words, or spaces in these fields will result in an error message. If you have any questions while completing the survey, please contact us email research@cswe.org. Thank you for your time in collecting this valuable data.
