

Families First 135 Years of Impact

Our Mission
Strengthening Family Resiliency

In FY24-25, we served **16,858 clients.**

Lucy C. Vance Center

The Vance Center is designed to improve the coping and functioning skills of low-income children, adults, and families by providing counseling services such as:

- ◆ Counseling
- ◆ Psychiatry & Nursing (Age)
- ◆ Case Management
- ◆ Skill Building
- ◆ Peer Support

Navigator Services

Families First's Navigator Services offer intensive, wrap-around support to help families address complex challenges, connect to essential resources, and build lasting stability.

- ◆ Personalized case management before crises arise
- ◆ Connection to resources including housing, employment, and health
- ◆ Two-generation approach supporting parents and children
- ◆ Programs: TeenAge Pregnant & Parenting Program (TAPP) and CHISPA Early Learning

Parenting & Adoption Support

Families First supports parenting and adoption through three programs:

- ◆ **NTDC Hub:** Trains foster, kinship, and adoptive parents to support children who've experienced trauma.
- ◆ **Georgia Center for Resources & Support (GACRS):** Strengthens post-placement adoptive, guardianship, and kinship families through education and services
- ◆ **Access & Visitation:** Provides education and resources on Georgia Access and Visitation Laws and increases parenting time with both parents, including monitoring supervised visits.
- ◆ **Parenting Plus:** Families First's evidence-based co-parenting curriculum that helps families experiencing divorce and parental separation prioritize their children's well-being during these transitions.
